PROJECTS

ChatLine
- Developed a ChatLine serves as a versatile platform for real-time communication, connecting users based on shared intrests, social networking, professional collaboration, or community building
- Our app facilitate instant messaging, share multi-media content and establishing connections with individuals or communities around the world.
- ChatLine also provides the feature of Video-Call and Voice-Call to the users to communicate, collaborate, and share experiences in a dynamic and interactive manner.

X-Plore
- X-Plore emerges as a dynamic online platform poised to transform the way users explore and connect with businesses within their local context. X-Plore aims to bridge the gap between consumers and service providers, offering a seamless experience that transcends traditional business directories
- The platform's intuitive interface empowers users to navigate effortlessly through a vast array of business listings, ensuring that they find precisely what they seek. Whether it's locating a cozy café, discovering a reliable plumber, or identifying a boutique fitness studio, X-Plore simplifies the process, making it a go-to resource for anyone seeking local services.

EXTRACURRICULAR ACTIVITIES AND ACHIVEMENTS

- Coordinater for Blood Donation Camp
- Represented the SDMCET college team in intercollegiate VTU CRICKET tournament.
